Guy, you far
 I hate you for
 those pictures
 but you're made
 us for it in attitude
 and comments in
 class. It's been a
 real pleasure having
 you around the flowers.
 Mrs. J. Herber

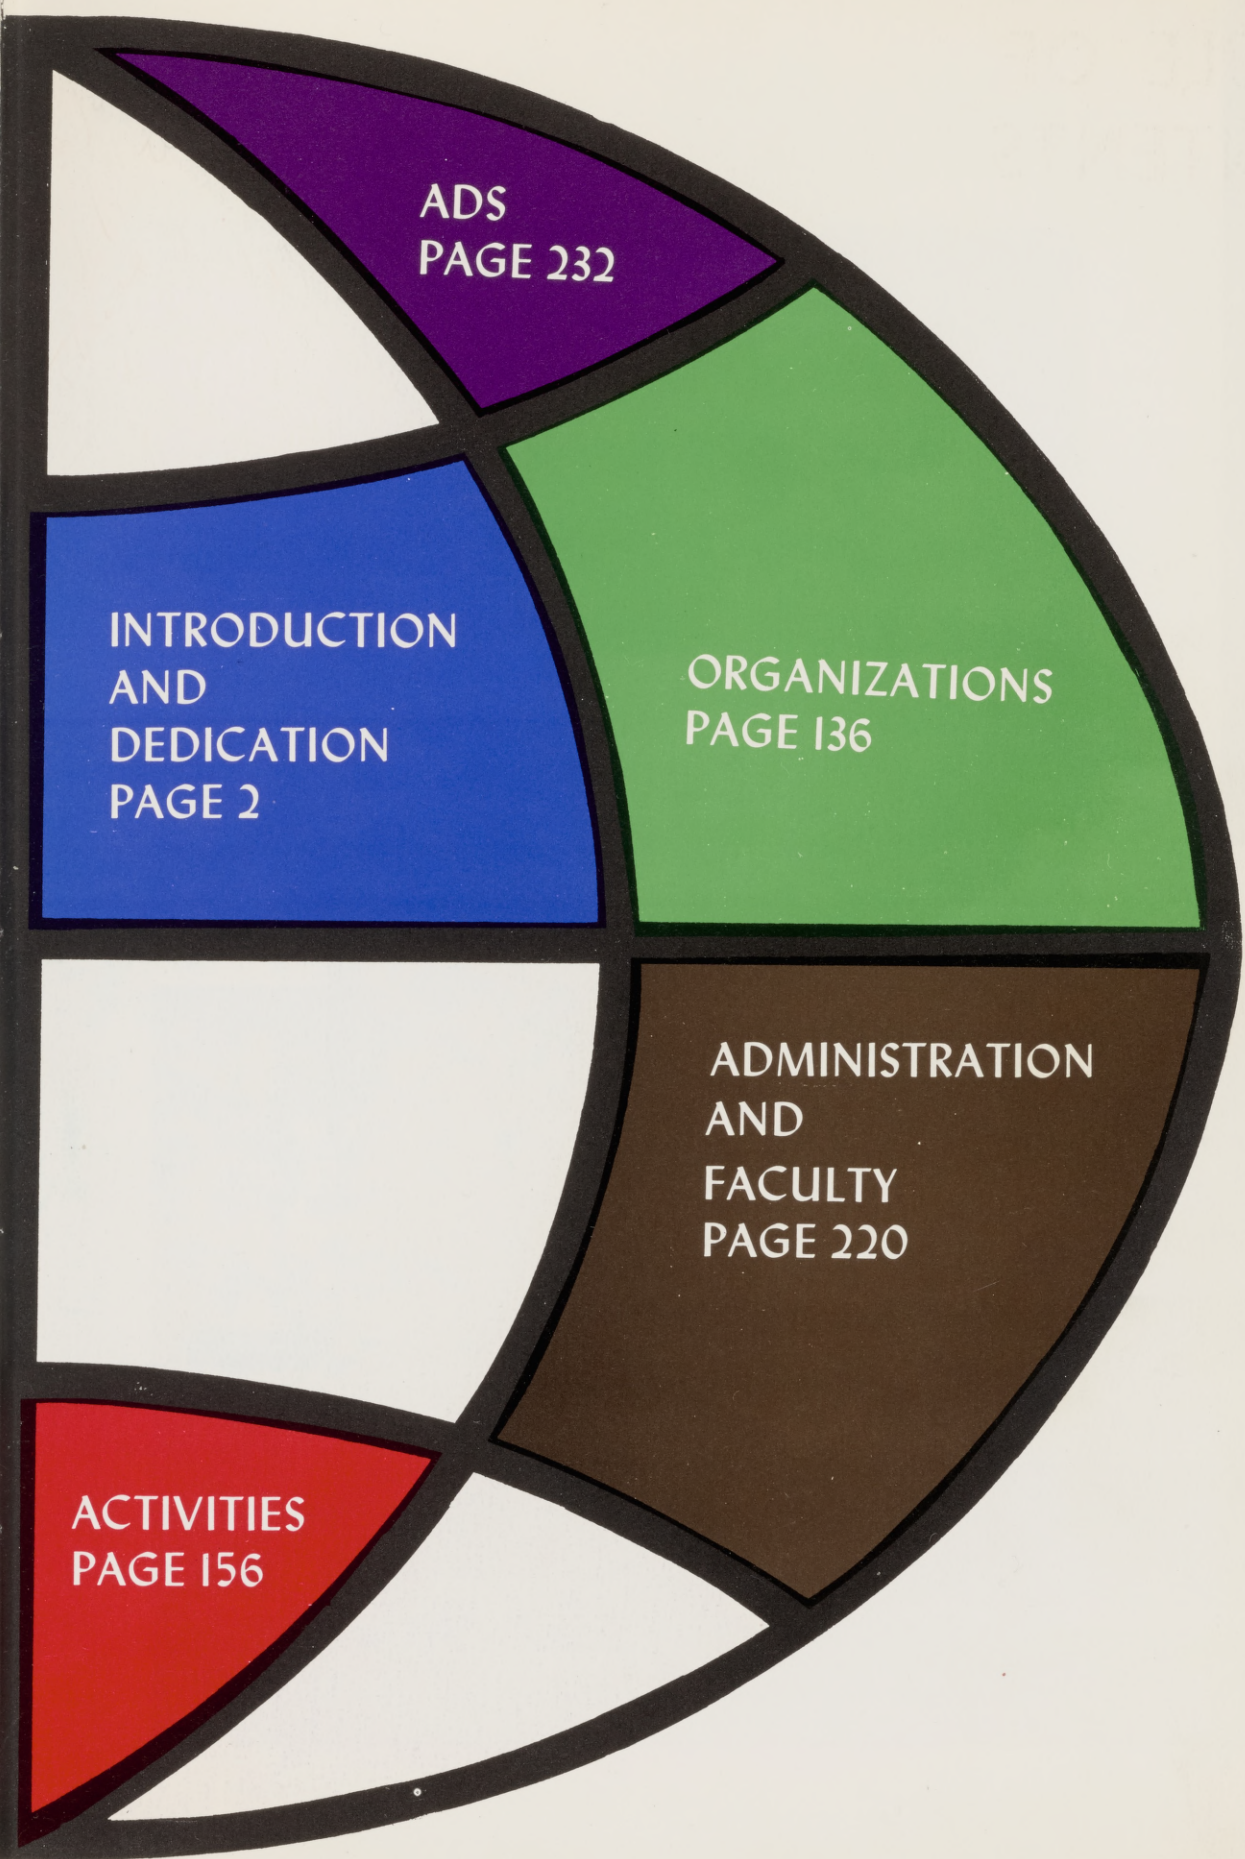

Today's youth is only a droplet in the stream
 of time yet upon our dreams and ambitions
 tomorrow's success depends. So we dedicate
 this yearbook to youth in hopes that our ex-
 perience of past and present will create a
 better world for all.

*Ask not what your school will do for you, but what together we can do
to attain excellence as students and citizens.*

THE GOAL OF JOHN F. KENNEDY HIGH SCHOOL IS TO PROVIDE EDUCATIONAL OPPORTUNITIES FOR ALL OF OUR STUDENTS BY PRESENTING A WELL-BALANCED ACADEMIC ACTIVITY PROGRAM. THE MEASURE OF SUCCESS OF THIS PHILOSOPHY WILL BE EXPRESSED IN THE ACHIEVEMENTS OF THE GRADUATES OF OUR SCHOOL. THE ADMINISTRATION, FACULTY AND STUDENT BODY WELCOME THIS CHALLENGE AS WE FACE THE FUTURE.

R. W. Lovette

"Ask not what your school will do for you, but what together we can do to attain excellence as students and citizens."

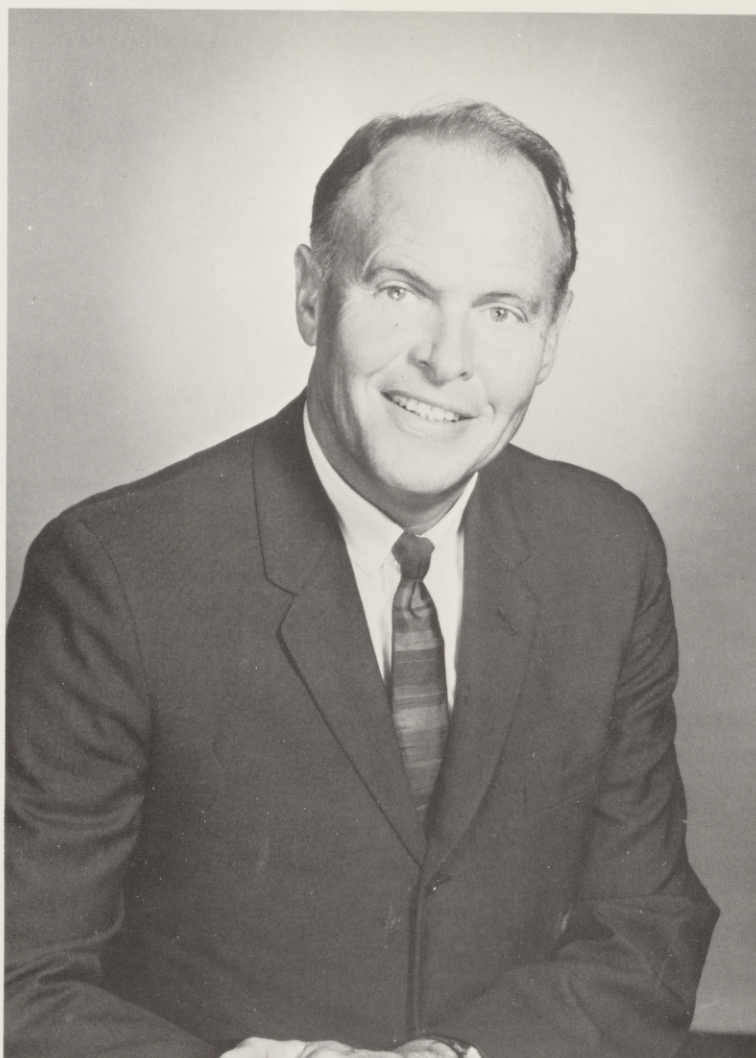

The wording on the dedication plaque listed above, which can be seen in the main office of our school, states exactly what we are trying to do at John F. Kennedy High School.

We are now beginning to develop a heritage in our new school. This heritage is similar to a work of art. There is a blending of academic excellence, student government and athletic achievement that is strong and enduring. That portion of this work which designates teacher-student superiority is one that stands out brilliantly. The area of academic achievement and glory are prominent and lasting. To complete such a work of art, we have the prominent blending of cooperation, coordination and communication.

It takes many individual contributions. It takes years of work, understanding and training. This is why the artistry is beautiful and perfect. I know that all students are proud to be included in this masterpiece at John F. Kennedy High School.

R. W. Lovette
Principal

HERITAGE

Richard W. Lovette,
Principal

This is to thank you all - students and faculty - for giving me a wonderful year at John F. Kennedy. Thank you so much for always being friendly and ready to help. Thank you for receiving me as one of your own and making me feel welcome and accepted. You have given me great experiences that will be of value for me the rest of my life, experiences that I will take home to my friends in Norway. The year here has been just great, and you have proved to me that school can be so much fun and not only hard studying.

Some day I hope I will be able to come back and see all the good friends I met here!

E STUDENTS

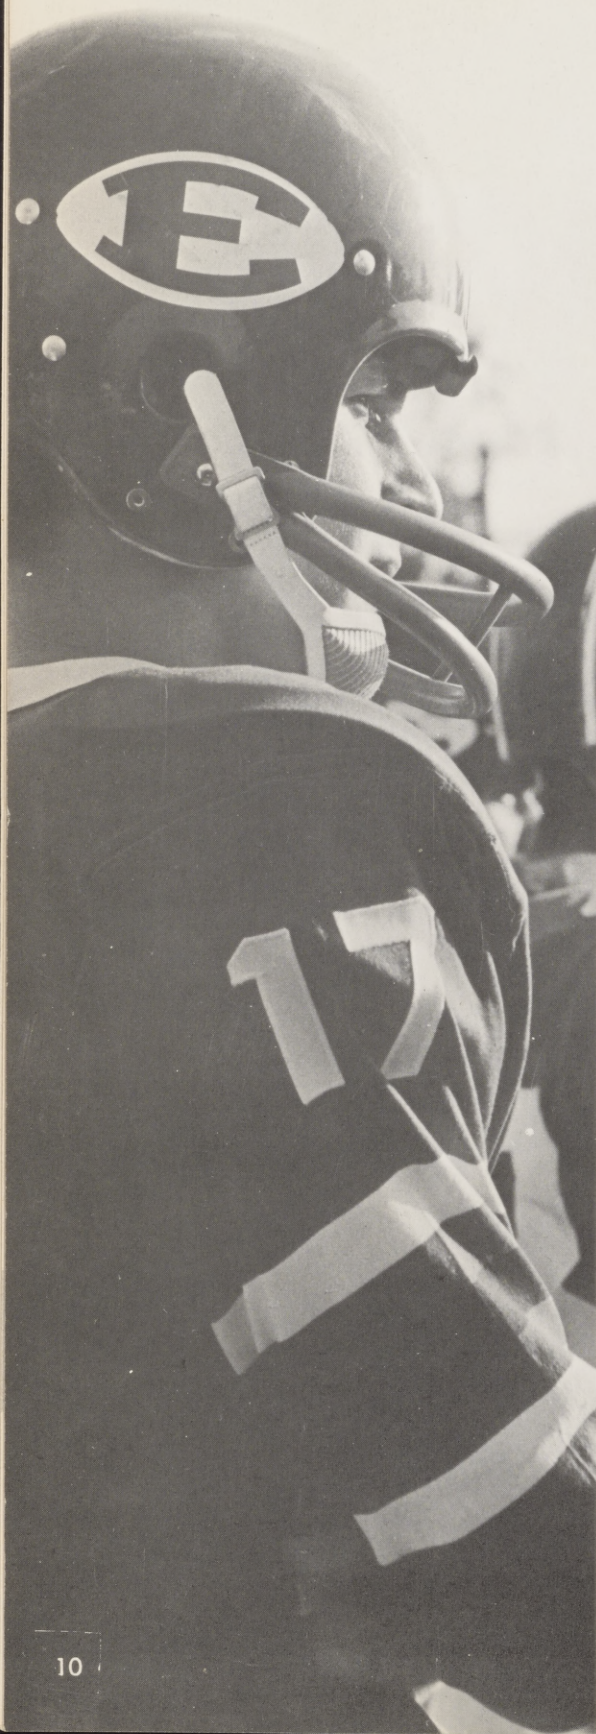

Before I came here, I was told that I was coming to the most beautiful part of America. Now I know that this was not an idle exaggeration. Not only are the surroundings incomparable, but Kennedy High School and all the people have made this year the most exciting one of my life.

At first I was overwhelmed by the enormity of Kennedy High School but the constant encouragement and assistance from my indescribably wonderful family have made my adjustments a minor problem.

I promise that one day I will be back to see all of you!

Your exchange student from South Africa,
Nina Potash

Youth is hot and bold,
Age is weak and cold;
Youth is wild. And age it tame.
Age, I do abhor thee;
Youth, I do adore thee.

SENIORS

S E N I

I O R S

As our final year of high school comes to a close, we pause to look over our three years together to consider our accomplishments. Our reputation as a fine class, belongs to all of us, but certain individuals distinguishing your class, deserve special recognition.

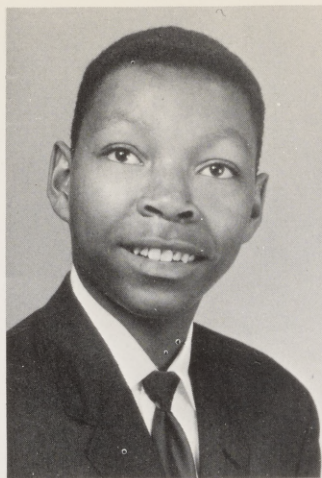

The class of 1968 began its high school career under the leadership of Leonard Kam, Jackie Range, and Kathy Griffith. Our Sophomore attendant was Gail Harris and the Snowball attendant Alice Williams. Leonard Kam had the distinction of being the ugliest boy at Ells in the Ugly Man Contest. Sophomore cheerleaders April Smith and Maureen McGrath spurred classmates on to a victorious second place at the ACAL Track Meet. The year was highlighted by our Soph Hop, "Henri Rousseau's Paradise." Organized by Sharman Smith, we transformed the Ells Gym into a tropical jungle with gay paper flowers and donated trees.

Leonard Kam, Claudette Garper, and Nancy Haglund were elected to be our new junior class officers. Minnie Hudson was chosen Homecoming Attendant and Mattie Bennett Snowball Attendant. Gretchen Swerdferger helped cheer the JV Basketball team on to take second place at the ACAL Meet. We are proud of our junior Powderpuff Team which tied the seniors. The year was climaxed by our Junior Prom "Evening of Enchantment," and Vula Roed was Chosen Queen.

We sent Nancy Haglund and Leonard Kam to represent us at Girls' and Boys' State in Sacramento during the summer. Our new pom pon girls and cheerleaders claimed first place awards for Kennedy last summer presenting our new school its first trophies.

Summer ended, and we came full of spirit to John F. Kennedy High School. Rick Harvey, Precilla Boston, and Kathy Griffith are our class officers; Claudell Stephens, Kathy Dornan, and Nancy Haglund serve as this years S. A. officers. We have the honor of having our class members Students of the Week and CSF Life Members this year. Two seniors, David Guthartz and Lynne Broido, are National Merit Scholarship Semi-finalists. Forensics has given Kennedy an outstanding reputation in the field of speech due partially to our seniors John Ungaretti, Billy Clark, Jeff Holder, Leonard Kam, Barbara Scheppler, and David Guthartz.

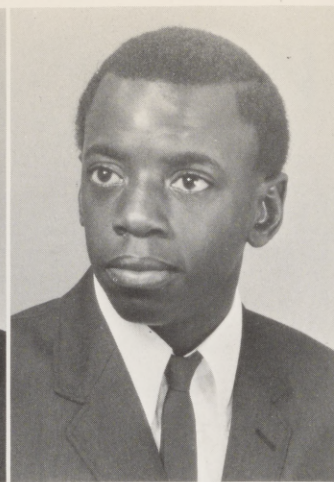

Senior events included the Homecoming Dance with Gail Harris crowned Queen, the Snowball with Bertha Trevino as our representative, the Ganza, and the Senior Dinner Dance. Other events worthy of their anticipation were the Sadie Hawkins Dance, the Picnic, and the Senior Ball. Finally, the most important event of all, Graduation has come, and our senior year has drawn to a close.

The Pom Pon Girls began their year promoting spirit in the school by performing at the annual "Walk Up" Rally in May of 1967. In July of 1967 at Squaw Valley, the Pom Pon Girls won: first place in the daily competition, the spirit stick-awarded to the group with the most spirit, and a trophy rating superior in the final competition.

Practicing throughout the summer months, the Pom Pon Girls performed first at the school's orientation. Continuing through the season, the girls performed at the Varsity football games, and the J.V. game against Pinole Valley. Also during the football season the Pom Pon Girls attended an exchange rally at Albany High School and also a rally at Richmond High School. In January of 1968 Richmond High's Pom Pon Girls made a return visit to our school before the game in the Richmond Auditorium.

In addition to performing throughout the year, the Pom Pon Girls have created John F. Kennedy High with their supreme performance in competition. Aside from their superior rating at Squaw Valley, they received a "Spirit Trophy" at an all day affair in Concord and competed in the 49er's contest held every year.

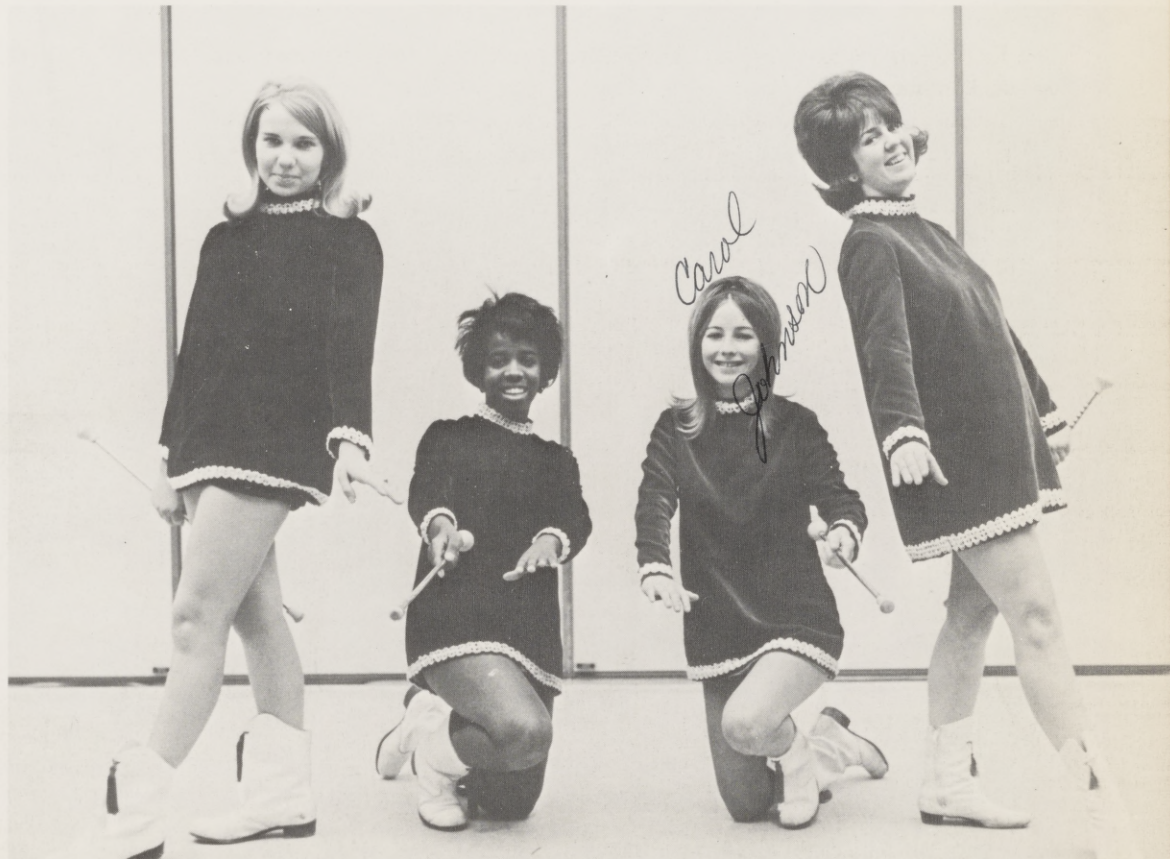

Bertha Trevina, Penny Sergeant, Sue Miller, Liz Yoder, Linda Thornton-Co-Head, Gail Harris-Head, Tina Fong, Rosemary Gant.

KENNEDY FIGHT SONG

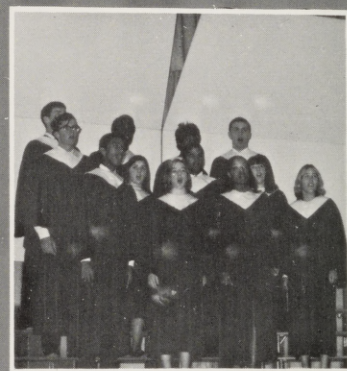

Cheer, cheer for Kennedy High,
 Sound off, you Eagles, scream in the sky,
 Sound your praises loud and clear,
 Come on you Eagles, give a cheer. (HEY)
 We'll fight for glory,
 we'll fight for fame,
 We'll fight for vict'ry,
 we'll win this game.
 See those valiant Eagles fighting.
 Fighting for victory.

John F. Kennedy High
 John F. Kennedy High
 Go, Eagles, Go Eagles,
 Go, Go, Go, Go.

We'll fight for glory,
 we'll fight for fame,
 We'll fight for vict'ry,
 we'll win this game.
 See those valiant Eagles fighting,
 Fighting for victory.

Handwritten signature or initials.

A circular graphic divided into six segments by thick black lines. The segments are colored: top-left (green), top-right (white), middle-left (white), middle-right (green), bottom-left (green), and bottom-right (gray). The word "ORGANIZATIONS" is printed in black, sans-serif capital letters in the middle-right green segment. In the bottom-right gray segment, there is a black and white photograph of a group of people in academic regalia (gowns and hoods) standing in a line, possibly during a graduation ceremony. In the bottom-left green segment, there is handwritten text in black ink, which is partially obscured and difficult to read, but appears to be a list of names or a note.

A new school needs a new name for its yearbook so a contest was held at John F. Kennedy which was open to all the students. There were many entries and a panel of judges had a difficult time making a decision. The final choice was Isnala, which means in the language of the Pueblo Indian "Eagle". The name was submitted by Chris Peterson, a senior, who spent many hours of research in making his selection. It was first choice of the judges because it was felt that the color and style of the school was similar to a Pueblo Indian Village. Chris, in winning the contest, also won free admission to the Junior Prom, the use of Mr. Friedrich's Town Car, and dinner in Jack London Square. It was Chris, also, who planned these two pages. Congratulations Chris!

FORENSICS

Officers left to right: John Ungaretti, Barbara Scheppler, Jeff Holder, Margret Pease, Billy Clark

With the guidance of Mr. David Dansky, Kennedy's Forensic Society is a most active and successful club. On November 13 we received one of the twenty-five nationwide awards for outstanding accomplishments in forensic competition. The National Forensics League Outstanding Chapter Award was presented to us the basis of our membership growth and the quality of our participation. We frequently send competitors to other high schools in the Bay Area for individual and debating events. We have participated

in 20 tournaments in the last four years and at each of these we have come home with at least a third place sweepstakes trophy.

Forensics offers academic achievements and good leadership training. It teaches the student the benefit of teamwork in debate and individual initiative in individual events.

Outstanding participants this past year have included John Ungaretti, Bill Clark, Bill Mootz, Donna Brorby, Leonard Kam, Jeff Holder, Dave Guthartz, Eddy Jackson, Margaret Pease, and Barbara Scheppler.

GRIDIRON GRADUATES

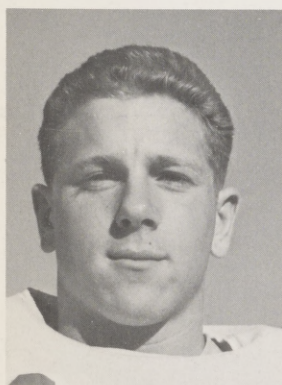

Perseverance and high spirit characterized the first football team of John F. Kennedy High. The team was not anticipated to be a top contender but was expected to lay the foundation of future Kennedy teams. The senior players set an example by displaying a winning spirit throughout the entire season. This is the spirit that will carry us to better seasons in the future.

CROSS

Led by Steve Valdivia, Keith Pringle, Larry Gastile, and Chris Peterson the varsity cross country team turned in a highly successful season.

Paced by Valdivia's second place finish in the City meet and fifth place in the ACAL meet the team finished second in both meets. An eighth place finish in the North Coast meet closed a rewarding season.

JUNIOR VARSITY

Front row, Bill Mootz, Darrell Houghton, John Spearman, Mark Iversen, Bobby Daniels. Second Row, Mark Sender, Mike Roark, Al Williams, Paul McGee, Al Guggemos, Dennis Deaver, Doward Washington.

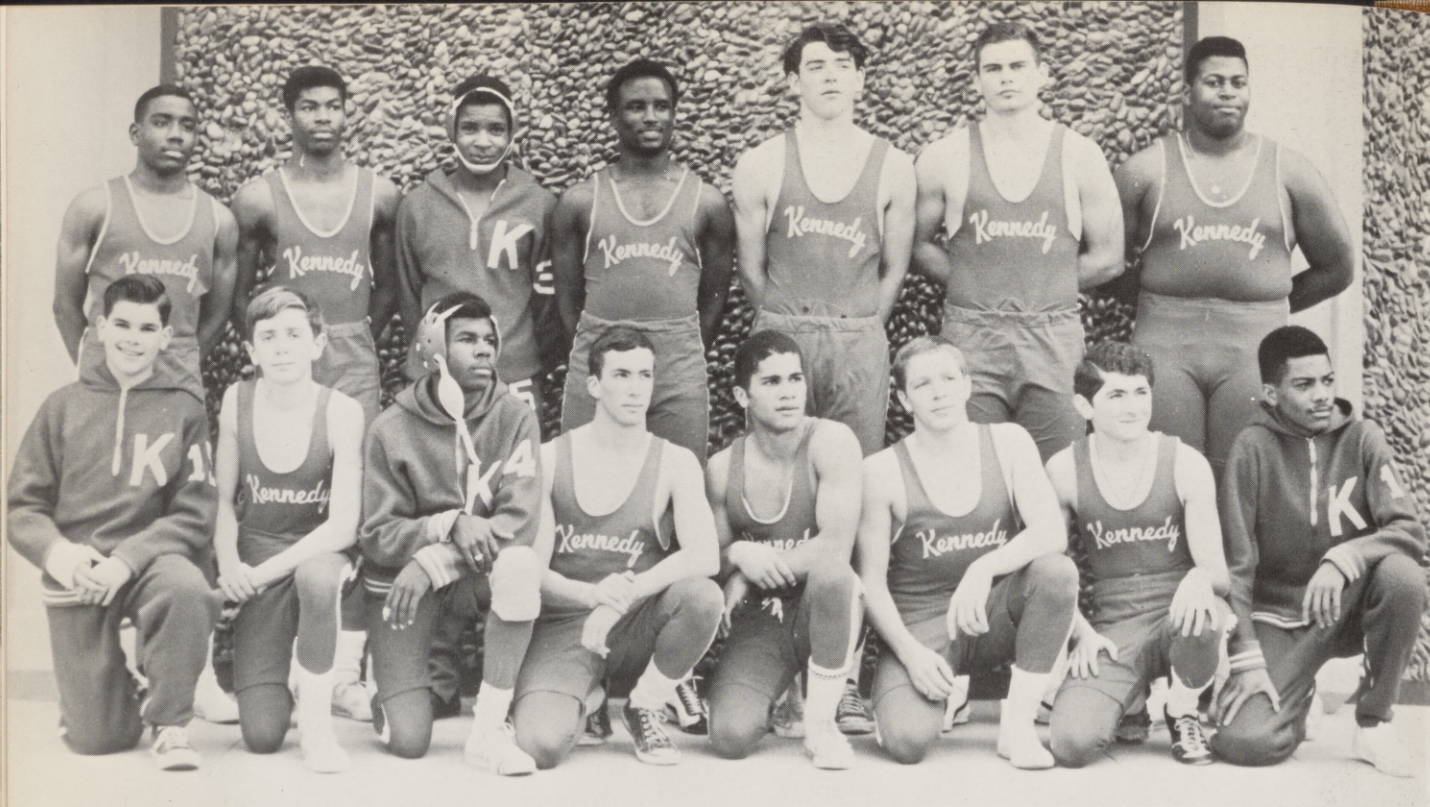

COUNTRY

The impressive showings of Ronald Jackson, Bill Mootz, and Al Guggemos and the return of lettermen Larry Gastile and Robert Park lead Cross Country Coach Stuart to believe that next year's varsity may be one of the ACAL's best.

SOPH - FROSH

Front row, David Iverson, Ronald Jackson, Brian Stott, Aron Baker, Larry Briley. Second row, David Hardwick, Keith Alexander, Chad Mandeles, Charles Coker, David Long.

WRESTLING

Despite a disappointing wrestling season there were some impressive individual performances. Under the tutelage of new coach Gary Murr the Eagles received outstanding efforts from Gary Pendleton, Lloyd Teasley, Brad Carr, and Kenny Miller. Although the team finished a dismal sixth in the league they gave their aversaries rough going in every match. The return of seven varsity lettermen leads Coach Murr to expect a higher finish next year.

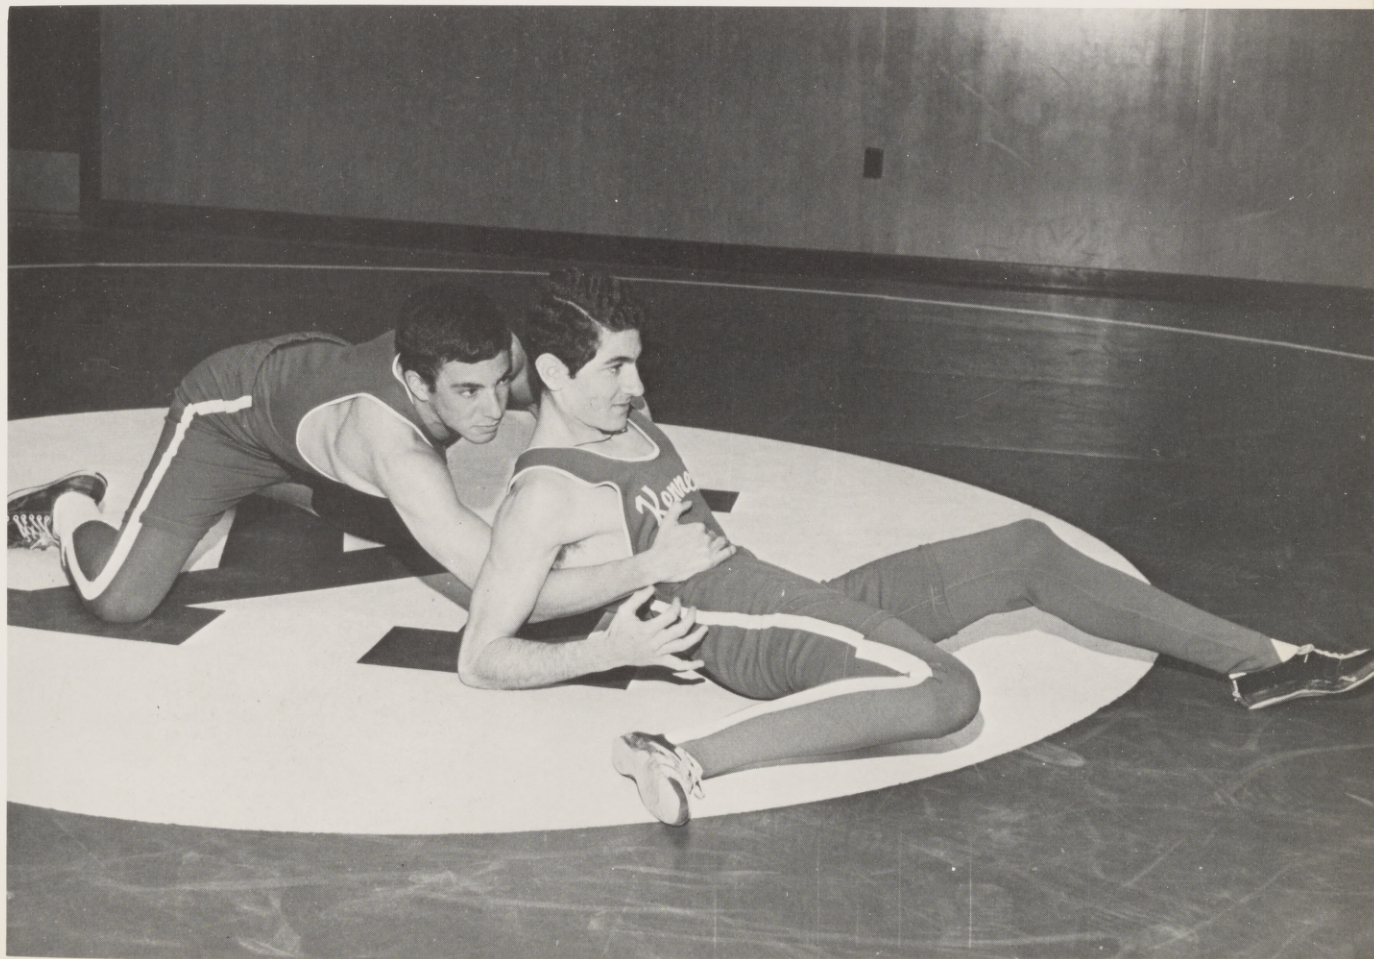

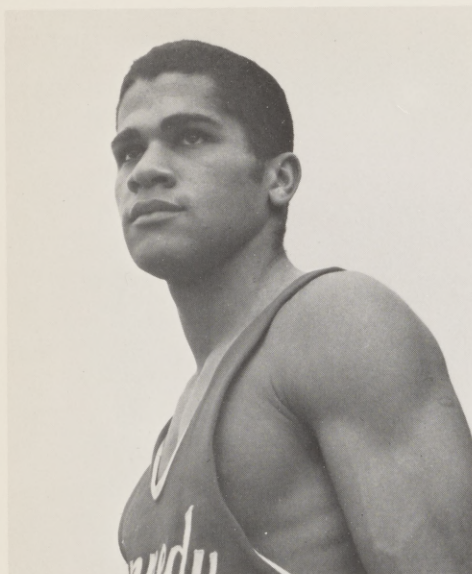

Coach Gary Murr

Left: Ellis Jones demonstrates a hold on Mike Forner.

Mark Mandeles pulls an escape maneuver on Dave Guthartz.

Senior Gary Pendleton duplicated his 1967 feats by placing first in the A.C.A.L. Tournament and being named the team's Most Valuable Wrestler for the second year in a row. Gary also placed third in the Pacific Invitational Tournament to end a outstanding prep wrestling career.

GARY PENDLETON, 130 LBS.

Sophomore Lloyd Teasley was one of the bright spots of the 68 wrestling season. Wrestling against high school competition for the first time he had a very successful season. Two of his accomplishments were a third place finish in the A.C.A.L. Tournament and first place in the A.C.A.L. Novice Tournament. Coach Murr believes that Lloyd may become one of the best wrestlers in the A.C.A.L. next year.

LLOYD TEASLEY, 156 LBS.

BRAD CARR, 178 LBS.

In his first wrestling campaign, junior Brad Carr went through the league matches defeating most of his opponents enroute to a second place finish in the A.C.A.L. Tournament. The return of this 178 pound letterman will be of great help to next year's team.

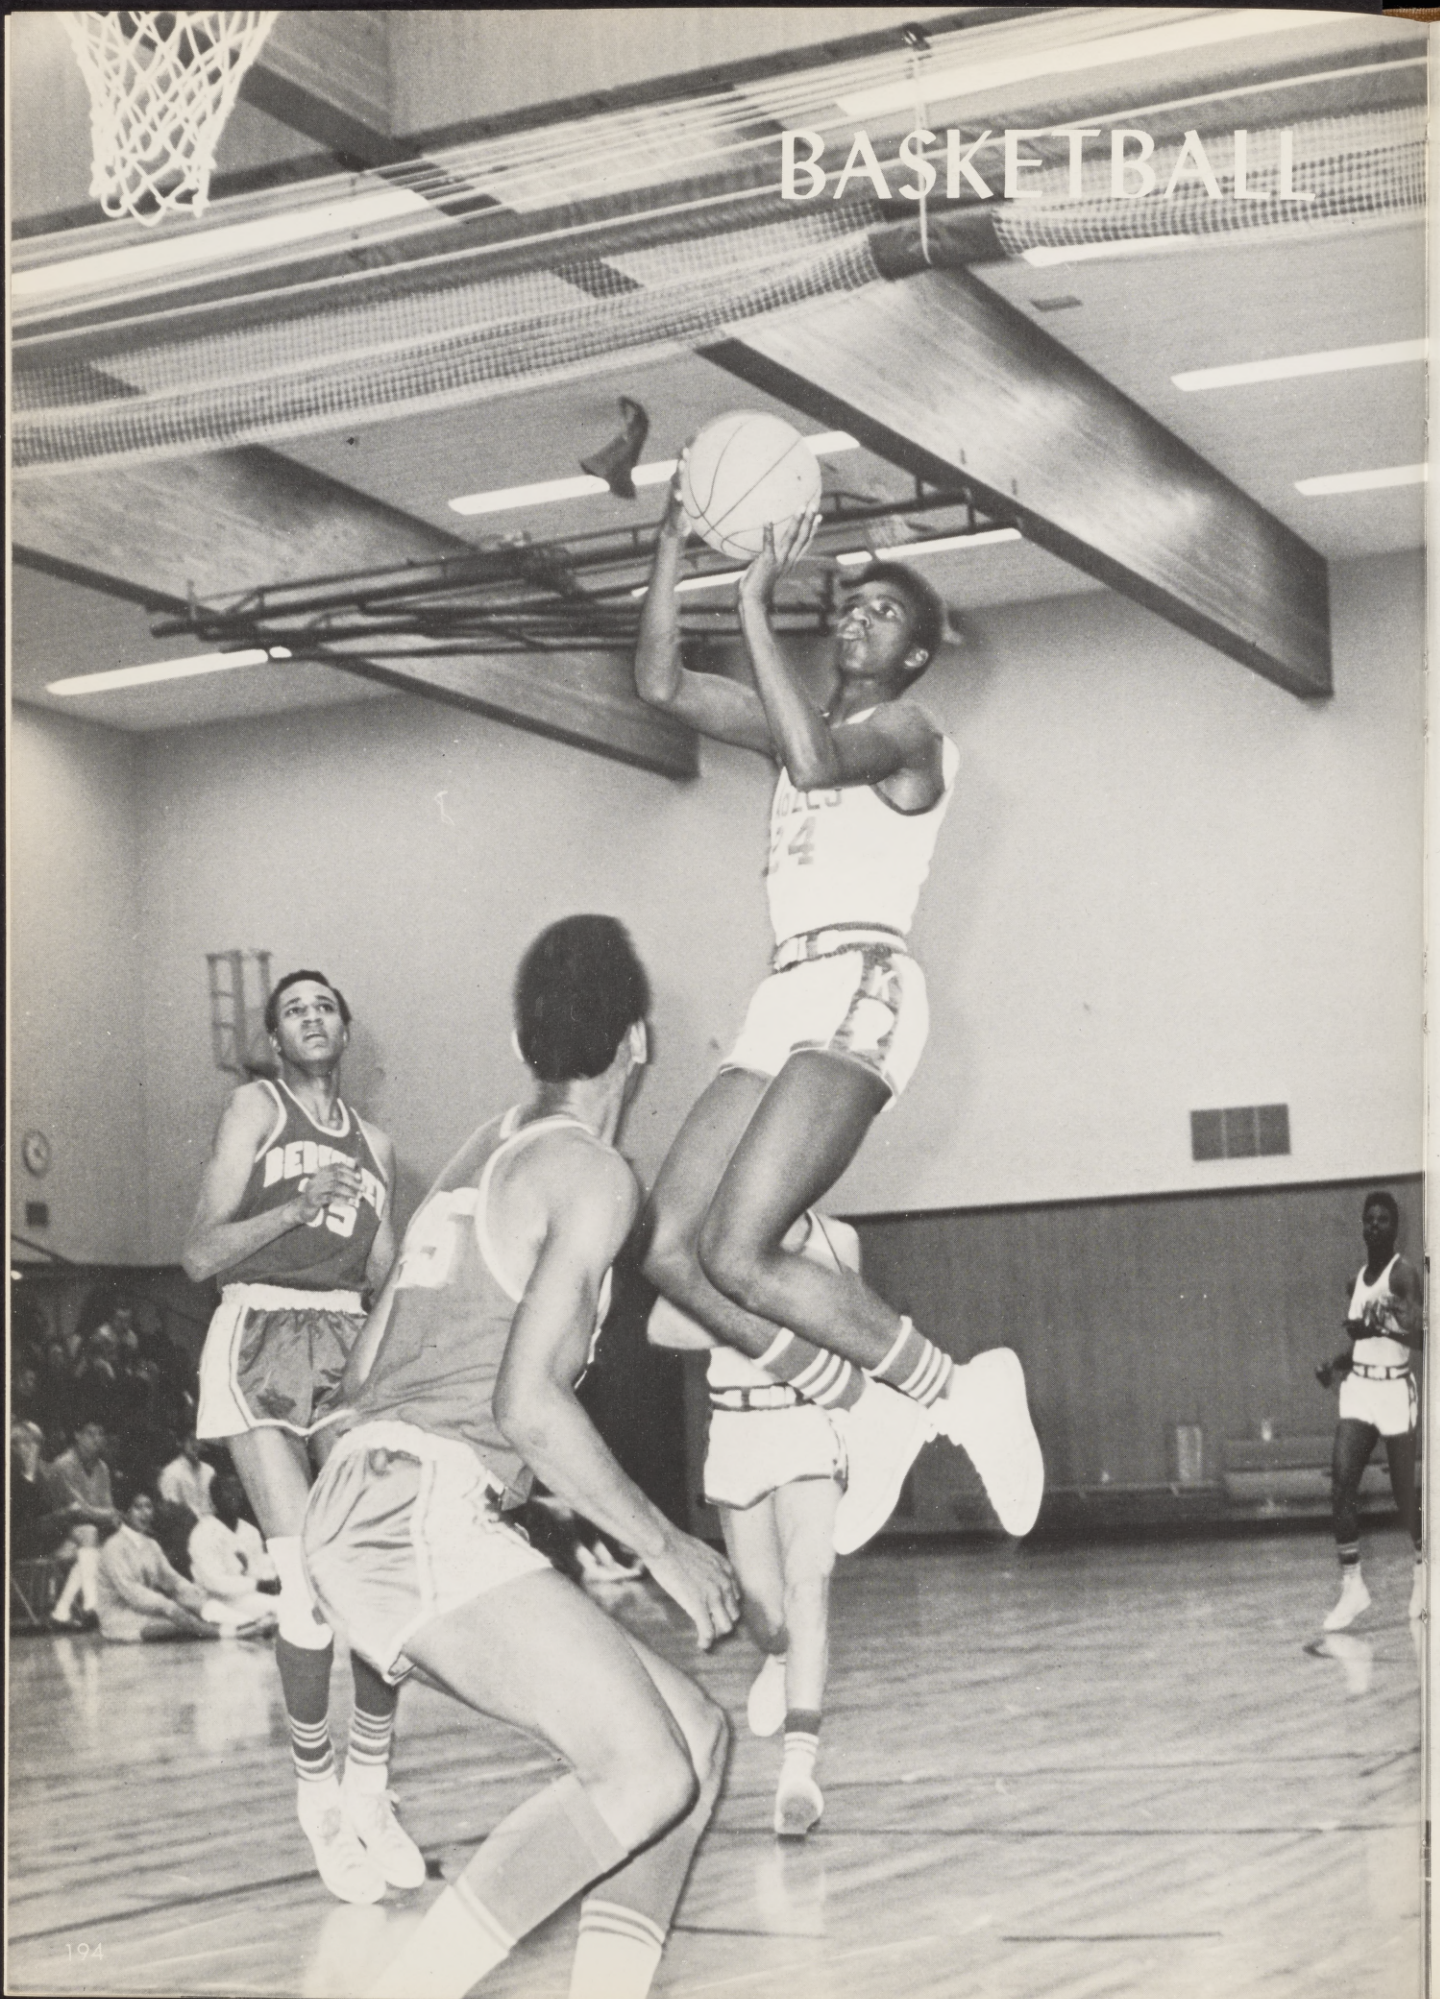

Kneeling: Willis Ridgle and Phil Zonfrello. Standing: Kenny Miller and Harry Avington.

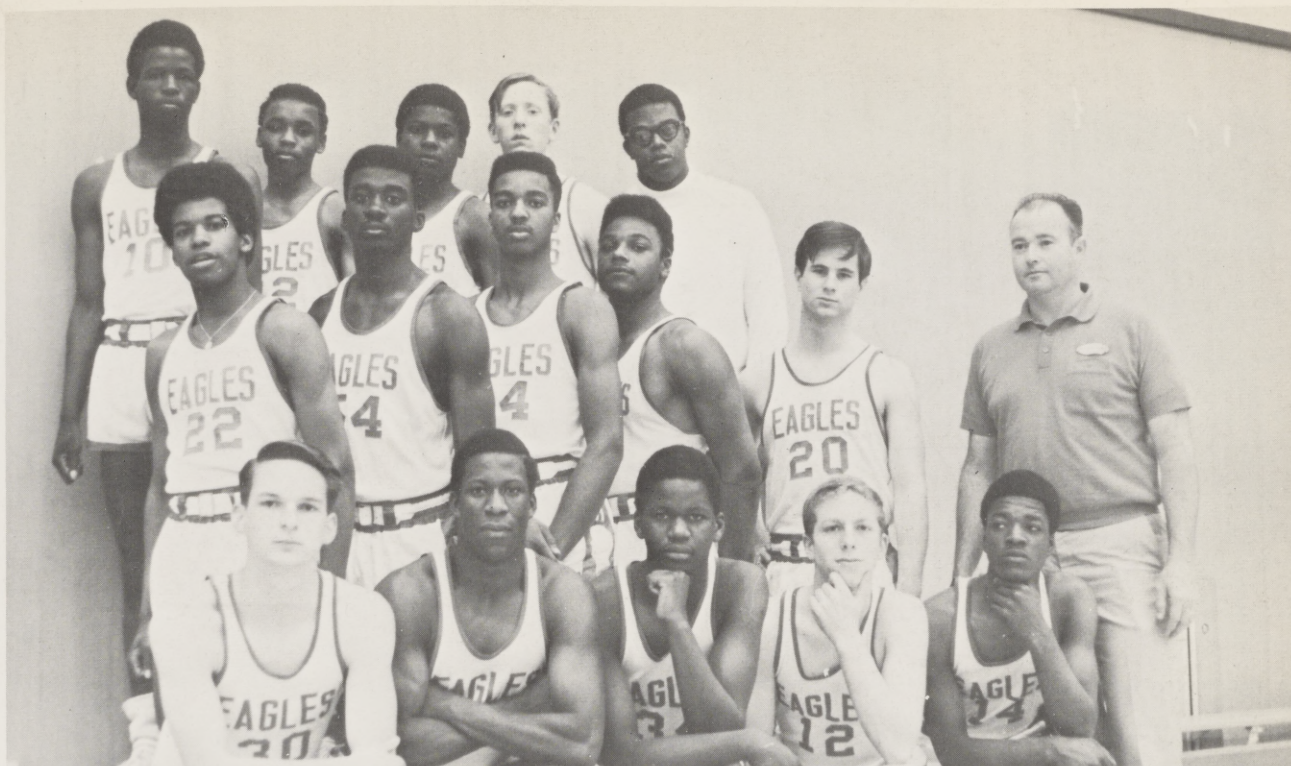

A highly respectable fourth place in the A.C.A.L. Tournament was earned by four Eagles. Kenny Miller, 168 lbs. class, who went undefeated in his first six matches; Harry Avington, unlimited; Will Ridgle, 108 lbs.; and Phil Zonfrello, 98 lbs. all placed fourth. Senior Kenny Miller will be the only one missing from this group next year. The return of Avington, Ridgle, and Zonfrello will give added strength to next year's promising varsity.

Although the 1968 basketball season didn't furnish a championship team it provided the thrills and excitement of a championship team on and off the court.

Early season action saw our Eagles defeat Salesian 71-66 to place fifth in the St. Elizabeth Invitational Tournament. JFK also walked off with the rooting section trophy and placed Richard Farr on the All Tourney team.

Highlights of league play were the upset wins over Pacific, 90-89 and Richmond 54-53. In the Richmond game, Mike Nelson's free throw with 19 seconds left in the game gave the Eagles their first win over the Oilers in the last four years.

The selection of Richard Farr to the All ACAL team and the nomination of Mike Nelson and Steve Dasovic to the honorable mention list capped the 1968 basketball season.

The swimmers never called it quits and were able to practice at the Richmond Plunge and turn in another successful swimming season.

Keith Pringle the most outstanding Senior swimmer holds two school records. He has the best times in the 200 and 400 free style among all Eagle swimmers. Guy,

It's been fun having
you in English - you ~~are~~
~~so~~ talk a little liberal at
times and you look ultra
conservative. Don't be
a plastic people, well
maybe you're not.
Have fun this summer,
and don't stop taking
candid pictures of
